

ADRIAN S. CALINGASIN

Address: 801 A Roxas St. Sampaloc, Manila

Contact Number: 0961 917 6081

E-mail: adrian.calingasin.work@gmail.com

Day of Birth: April 16, 2004

Computer Engineering graduate with experience in software development, project management, and digital design. Familiar with Python, FastAPI, SQL, and various development tools, with experience contributing to projects from planning and development to coordination and design. A detail-oriented and adaptable continuous learner who enjoys exploring new technologies and building practical solutions.

EDUCATIONAL ATTAINMENT:

Undergraduate A.Y. 2022 - 2026	Pamantasan ng Lungsod ng Maynila (<i>University of the City of Manila</i>) <i>Bachelor of Science in Computer Engineering (BS CpE)</i> General Luna, corner Muralla St, Intramuros, Manila, 1002 Metro Manila MAGNA CUM LAUDE
--	---

Senior High School A.Y. 2020 - 2022	Dominican School Manila <i>Science, Technology, Engineering, and Mathematics (STEM) Strand</i> 1044 Lacson St, Brgy 479 Z-47, Manila, 1008 Metro Manila WITH HIGHEST HONORS
---	---

Junior High School A.Y. 2016 – 2020	Dominican School Manila 1044 Lacson St, Brgy 479 Z-47, Manila, 1008 Metro Manila WITH HIGH HONORS
---	--

WORK EXPERIENCE:

S.P. Madrid & Associates Law Firm, SPM

Backend Developer Intern (240 hours)

Year 2026

- Developed and debugged FastAPI/Python backend services, including CRUD user management, form builder, form validation, dashboards, and access control functionalities.
- Implemented authorization access control using Casbin, along with audit logging, audit trails, and MinIO object storage for improved security and file management.
- Researched and implemented VROOM, OSRM, and Uber H3 for vehicle routing, geospatial indexing, routing optimization, and automated spatial resolution management.
- Developed OpenCI ver.2 data analysis and visualization features, including technical documentation, interactive charts, analytical dashboards, data-fetching logic, and final testing and quality assurance.

ORGANIZATIONAL EXPERIENCES:

The PLM Supreme Student Council, The PLM SSC

Director for Graphic Design – Graphic Designer

Year 2025 – 2026

- Responsible for the creation and dissemination of engaging visual and multimedia content that supports institutional branding, publicity campaigns, and communication materials.

PLM College of Engineering Student Council, PLM CE-SC

Public Relations Senior Officer – Graphic Designer

Year 2024 – 2026

Public Relations Junior Officer – Video Editor

Year. 2023 – 2024

- In charge of publication materials for the dissemination of timely updates, declarations, and important information that are essential for the College of Engineering students.
- Served as Project Head for one of the council's major events, overseeing the planning, coordination, and execution of all event activities.
- Hosted an event while showcasing adept organizational prowess and adeptly fostering engaging environments.

Amazon Web Services Cloud Clubs – Haribon, AWSCC - Haribon

Chief Creatives Officer

Year 2024 – 2026

Vice Chief Creatives Officer

Year 2023 – 2024

- Conceptualized and executed innovative campaigns, brand engagement and audience growth. Leveraged strategic insights to cultivate compelling content and maintain brand relevance.
- Created and enhanced the digital version of the organization's mascot called Bonee and Bowee.

Cybersecurity and AI/ML Skill Builder

Year 2023 – 2024

- Actively participated in a workshop-driven program, focusing on Cybersecurity and AI/ML, where hands-on sessions deepened skills in cloud security, threat detection, and machine learning.

Microsoft Student Community - PLM, MSC - PLM

Ambassadors Director

Year 2024 – 2025

- Leads the Microforce Student Ambassadors Committee, oversees recruitment, training, and coordination of ambassadors.
- Serves as the primary liaison between ambassadors and committee leadership.

Institute of Computer Engineers of the Philippines.se – PLM Chapter, ICpEP.SE - PLM

3rd Year Batch Representative

Year 2024 – 2025

- Take charge of all matters relative to the membership concerns of the organization.
- Initiate the activities geared towards the physical and social development to the organization members.
- Responsible in relaying the activities prepared by the ICpEP.se-PLM Executive Council to the respective block representative.

Assistant Treasurer

Year 2023 – 2024

- Ensured relevant and accurate financial statements for the organization.
- Proficiently organized and hosted numerous events, ensuring smooth execution of the program.

Junior Blockchain Education Consortium of the Philippines - Haribon, JBECF - Haribon

Internal Relations Lead Officer

Year 2024 – 2025

- Manages internal relationships, including communication, partnership development, and membership management, to foster a strong organizational culture and cultivate strategic alliances.

Internal Affairs Junior Officer

Year 2023 – 2024

- Supported internal operations by coordinating membership records, assisting in internal communication efforts, and contributing to the planning of member engagement activities.

Google Developer Student Clubs – Pamantasan ng Lungsod ng Maynila, GDSC - PLM

Data Googler & DataCamp Scholar

Year 2023 – 2025

- An active DataCamp scholar, honing technical proficiencies in programming, with a focused emphasis on Python. Demonstrated commitment to continuous learning and skill enhancement, leveraging DataCamp's platform to refine coding abilities and stay abreast of industry best practices.

Pamantasan ng Lungsod ng Maynila, BS CpE Block 2

Block Vice President (2nd Year, 3rd Year, 4th Year)

Year 2023 – 2026

- Supports the class president, fulfilling the president's duties when absent, and performing tasks assigned by the president.
- Works closely with other class officers to ensure the success of all class activities.

Block Secretary (1st Year)

Year 2022 - 2023

- Acted as the custodian of all records, documents, and papers of the of the block including the daily attendance.
- Kept track of the performance and degree of participation of all members of the block for recitation as instructed by some of the professors.

Reserve Officers' Training Corps (ROTC), PLM “Rajah” Unit

Platoon Leader (Second Semester)

Year 2022

- Always designated to operate on the frontier of the platoon. Compelled to display strong and robust personalities amongst the platoons.

Platoon Sergeant (First Semester)

Year 2023

- Maintained the cadets in the platoon under control in terms of discipline, instruction, and general wellbeing.

Habing Lokal – Mini Company, JA Philippines Work Immersion

Chief Human Resource Officer

Year 2021-2022

- Ensure compliance with the Bylaws of the mini company, school, JA Philippines, and the country.
- Kept track and inspects the participation and activity of each member and ascertains that all those who are exhibiting lackluster performance will be retrained.
- Made sure that harmonious and amiable relationship between the members of the mini company is perpetually formed.

Creatives Department Lead

Year 2021-2022

- Developed digital marketing strategies and designs for the company's products.
- Worked with the Marketing/Sales and Public Relations department in producing pubmat posters of social media.
- Acquired digital editing skills by creating several designs for the products and PowerPoints.

Dominican School Manila, 10 – St. Catherine of Sienna

Class Treasurer

Year 2019-2020

- Managed the financial control and budgeting of the class funds for every school activity and competition.
- Collected all the class funds in the safe place and ensured that each student pays on time.
- Monitored each student's payment as part of their clearance at the end of the school year. - Render financial reports regarding the expenditures and payments to the class adviser.

Koro Dominikano, Dominican School Manila

Club Auditor

Year 2019-2020

- Recorded accurate financial statements records in the activity that the organization had.
- Attended each meetings and practices promptly and with complete presence.

AWARDS AND RECOGNITIONS:

- Magna Cum Laude (2026)
- Academic Excellence in Science and Technology (2026)
- Consistent Dean's Lister (2022-2026)
- Consistent College of Engineering Academic Excellence Awardee (2022-2026)
- 2nd Best Poster in CpE Practice & Design Research Colloquium (2026)
- 3rd Best Booth in CpE Practice & Design Research Colloquium (2026)
- 3rd Best Prototype in CpE Practice & Design Research Colloquium (2026)
- Best Paper in CpE Practice & Design Research Colloquium (2026)
- Most Outstanding Design Concept - CpE Practice & Design Research Colloquium (2026)
- VPAA Special Recognition in Embedded Systems & Microprocessors (2025)
- 3rd Best Project in Embedded Systems & Microprocessors (2025)
- Best Pitch/Presentation in Project Management Design Presentation (2025)
- Champion in Line Follower Robot Competition (2025)
- Rank 1 College of Engineering (2023-2024, 2025-2026)
- Cadet Private – 4th Class Recognition (2022-2023)
- Department of Science and Technology – Science Education Institute (*DOST-SEI*) Passer (2022-Present)
- Gold Medalist - With Highest Honors (2021-2022)
- Loyalty Awardee (2021-2022)
- Top 2 in JA Business Whiz Pitch (2021)
- Champion in MATHALAS Contest, Dominican School Manila (2021)
- St. Cecilia Maravilla En Música Awardee (2021)
- Certificate of Recognition in Video Virtual Exhibit, Dominican School Manila (2021)
- Champion of Campus Voice, Dominican School Manila (2021)
- Silver Medalist - With High Honors (2020-2021)
- Bronze Medalist - With Honors (2018-2020)
- Champion of 3D Chemical Bond Model Contest, Dominican School Manila (2018-2019)

LEARNING AND DEVELOPMENT INTERVENTIONS/TRAINING PROGRAMS ATTENDED:

- DOST-SEI Scholars Leadership Camp (2025)
- ICpEP Webinar Session 11 : Next-Gen AI in Action: Transforming Academe and Engineering Workflows (2025)
- ICpEP Webinar Series Session 10: FORMULATING COMPETITIVE MARKETING STRATEGIES IN THE DIGITAL AGE (2025)
- Formulating Competitive Marketing Strategies in Digital Age (2025)
- GDSC PLM's DataCamp Donates (2025)
- AWSCC-Haribon's CloudFest: Show the Plays (2024)
- Introduction to C# Your First Steps in Programming (2024)
- Navigating the Data Landscape: A Beginner's Guide (2024)
- Cloud Computing 101: Kickstart to Aws Journey (2024)
- DOST – NCR: “Going Beyond the Surface: Understanding Root Cause Analysis as a Productivity Improvement Tool” (2023)
- GDSC PLM's Pixel Talkapalooza: EducA.Ite (2023)
- PLM Embraces Mental Wellness: Happiness Within (2023)
- Be a Pioneer: Looking Forward, Moving Onwards (2022)
- “Feeling Love and Raising Above It” (2020)

SOFT SKILLS:

- Strong Interpersonal skills
- Demonstrates project management skills, including planning, organizing tasks, managing time, and coordinating with team members to achieve objectives.
- Willing to act in a manner that allows to perform at the highest and maximize capabilities to achieve things at hand.
- Test abilities and looks at a bigger picture to best serve the team's needs.
- A work-in-progress person who is always working to change and do better. Consider new approaches to solving complex challenges.
- An individual who pays attention before and after performing a task.
- Values work ethics and adhere to what is right as a student from a catholic school.
- Aims efficiency and success to gain new sets of skills, determine what will put ahead on points.
- An open-minded individual who allows all opinions to be heard, discussed, and criticized with equal consideration.

TECHNICAL SKILLS:

- **Programming:** Python, C, C++, Java, JavaScript, PHP, SQL
- **Web & Backend:** FastAPI, WebSocket, HTML, CSS
- **Mobile Development:** Flutter
- **Databases & Cloud:** PostgreSQL, SQLite, Firebase
- **DevOps & Version Control:** Docker, Git, GitHub, Visual Studio Code
- **Authorization & Storage:** Casbin, MinIO
- **Geospatial & Routing:** VROOM, OSRM, Uber H3
- **Embedded Systems:** ESP32, Arduino, MATLAB
- **Productivity:** Microsoft Word, Microsoft PowerPoint, Microsoft Excel, Microsoft Publisher
- **Design & Multimedia:** Figma, Canva, Adobe Photoshop, Adobe Illustrator, Adobe Premiere Pro, Adobe Indesign
- **Networking:** Cisco Packet Tracer
- **Artificial Intelligence & LLMS:** ChatGPT, Gemini, Claude, Copilot
